

Suggested Use. As a dietary supplement, to support important functions in the body that promote a sense of calm, comfort, and well-being and help prevent and relieve physical and emotional distress. Take two capsules, twice daily. If sufficient, continue this dosing. For greater support, increase up to six capsules daily. To support ongoing benefits, continue to take up to six capsules daily. For individuals particularly sensitive to the effects of natural supplements, start with one capsule, twice daily. Increased benefits are typically seen over time with daily use.*

Warnings. Keep out of reach of children. Do not exceed recommended dose. Do not purchase if seal is broken or missing. Protect from heat, light and moisture. Store tightly in a cool, dry place. Please consult your health care practitioner before taking this product with regard to any questions you may have or if you are pregnant, nursing, taking any medication, or have a medical condition.
